but Yuyu-chan is okay?
Eh...
What are you talking about?
We saw them, you know
Yester-day,

Yuyu-chan and Himari-chan were hanging out together
hihi

sorryy~, don't tell me,

Nana-chan!
you didn't know?
Why?

Himari-chan, what did you do on Sunday?

I was going out with my family
...Ah, etto

She lied...?

It must be like that
she might really go out with her family.
But, it might be them who lied,
Himari-chaan!
Yuyu-chan!
Here
Himari-chan likes this, right? Yuyu accidentally found it. Yuyu's giving it to you ♡
Eh, may I?
Arigatou~!

even though you were on the middle having lunch, Yuyu disrupted you
Gomen ne,

It's such a mystery that she's a laner in the class~~
Eh, she is?
Himari-chan, she told Yuyu until that far...
How nice~ We want ta talk to her taa~
But Nana-chan said we can't
There's nothing like that~ Himari-chan'll be glad too~

It's not like that, Nana-chan!
Why are you here....
I was the one who invited her!
I'm sorry for deciding on my own,
But, I
I thought thot if since the beginning I told Nono-chon thot we three ore going to ploy together,
Nono-chon would refuse..
...Eh?

she is not that bad...!
want Nana-chan to know that Yuyu-chan,
Eh.....?
I hope
you two can properly talk to each other

No
Please wait
"No matter how many hours it'll take, I'll hear"
Wait
"Always tell me!"
To be honest,
I wanted to know Yuyu-chan's feelings too
Don't drop
"I'll help Nana-chan with anything that I can do!"
By talking and listening to her, I understand,
Nana-chan is only mis-understanding Yuyu-chan
The truth is...
"But if they are something that Nana-chan wants to tell me, whatever it is, I'll hear"

Sorry,
I'm going home

Nana-chan!
"It's alright",
as if,

On top of Himari-chan knew everything,
she became Yuyu's ally
There's nothing that is alright
Ow

gathering around Yuyu
that everyone is always
Even though I already knew
...Kuri-yama?
